

ELECTORAL ROLL REPORT

Last year, 2019, was the sixth year in the Electoral Roll 'cycle'. This meant that the old Roll was deleted, and new application forms were required from everyone who were on it. This resulted in a completely new Roll.

At the 2019 APCM I reported that the number on this new roll was 74.

This year we only had to review and revise the Roll. This meant removing those who can no longer be on it, and adding any new applications received during the year.

I can therefore report that, as of 10th September 2020, the numbers on the Electoral Roll are now 75.

During the year we welcomed 5 new applicants, but sadly 4 members have passed away.

After the APCM on 27th September 2020, anyone else who wishes to be added to the Electoral Roll may do so by filling in an application form, available on the Church website, and returning it to Ann Ellis, Electoral Roll Officer, electoralroll@stchristopherschurch.org.uk
