Eco Tip - Green your driving habits!

Did you know that driving at 50mph uses 25% less fuel than 70mph.

Switching off the engine, rather than 'idling', will also cut fuel consumption and help reduce air pollution.

Candida Gill Memorial Service - Saturday 6th August

A service of thanksgiving for the life of Candida Gill will be held on Saturday at 2.30pm at St Christopher's Church. Afterwards her ashes will be interred in the Garden of Remembrance. All welcome

Rainbow Café - Sunday 21st August - in church 3-4pm followed by a short (optional) act of worship. All welcome to either or both!

Tea & Hymns - Sunday 28th August - 4-5pm in church

With every blessing from Rev Caroline & the team
